* A student cannot take a course that teaches about his/her first langauge
  - For example, a student from Canada cannot take a course that teaches English Langauge / a student from Japan cannot take a course that teaches Japanese langauge

* If you cannot register to a course due to the restrictions in year (last column of the table above), you should email the professor and get a permission from him/her to take the course. For this permission part, we will give more specific explanation during the orientation.
