## Ming Chuan University Mandarin Studies & Culture Center Classes 銘傳大學華語中心華語語學堂課程說明

華語中心網站 https://mscc.mcu.edu.tw/en

Here we would like to update you with the decision from the school committee regarding language classes provided by the Mandarin Studies & Culture Center (MSCC) of MCU.

Exchange/visiting students, who are interested in learning Chinese, can choose to attend language classes by MSCC. MSCC offers fee-paying language classes from beginner to advance levels, including Option A and Option B.

 $\rightarrow$  Option A: 15-hour per week x 6 weeks = 90 hours = NT\$13,500

 $\rightarrow$  Option B: 15-hour per week x 12 weeks = 180 hours = NT\$27,000

Language classes usually take place 9:10am-12:00pm or 1:10pm-4:00pm every Monday ~ Friday morning or afternoon, in Taipei (Jihe) campus. Not available in Taoyuan campus. For example, if students would like to join the language classes every morning in Taipei (Jihe) campus, they cannot have schedule conflicts with regular courses. In other words, they should save the mornings free for the language classes. They can take regular undergraduate or graduate courses in the afternoons.

Learning Chinese is voluntary, not compulsory. Students have free will to decide to join MSCC language classes or not. If choosing to attend, students will pay tuition for MSCC language classes in NT dollars after arriving at MCU. Language class is not a regular course, it is optional and it doesn't offer academic credits.

If students have no intention for fee-paying MSCC language classes, they can enroll in 3-credit Basic/ or Intermediate Mandarin course offered by the International College curriculum. This class runs 3-hour per week during the semester. Because it is part of the International College curriculum, there is no additional tuition fees if student is taking this option with International College curriculum.
